## ALLIED FORCES NOT ADEQUATE

### To Check Advance of Bulgars and Teutons

#### FRENCH AND BRITISH MAY HAVE TO TAKE REFUGE UNDER GUNS OF THE FLEET

(Associated Press)

London, Dec. 11.—The latest from the Balkans indicates that the Allies are still falling back, but without suffering heavy losses. The British received a shock with the receipt of a Saloniki dispatch, stating that two German divisions had occupied Giogveli, on the Greek border. A later dispatch says, though, the Germans are not within range of Giogveli. Giogveli commands the railroads running to the north from Saloniki.

Diplomatic negotiations with Greece seem no nearer settlement. The retreat of the Allies makes some definite reply from Athens hourly more vital.

In military circles it is considered of primary importance that Saloniki be retained as a base for future operations, even if the allied troops are forced to take refuge under the guns of the fleet. It is generally conceded the present allied force is inadequate to cope with the Bulgarian and Teutonic forces.

A statement is credited to Premier Radeslavoff, of Rumania, in which he says the Teutonic armies total a million men.

The recruiting stations in London are still crowded on the final day for recruiting under the Earl of Derby's plan.

In the annual report sent to Congress today is stated that there were only five days during the year when some unit of the service was not busy on wreck or rescue work. The saving in vessels was over ten millions. The cost per annum of the coast guard and life saving service is a little over five millions.

### WILL KEEP UP THE WORK

#### King's Daughters Find Their Hands Full and their Treasury Almost Empty this Christmas

At a called meeting of the King's Daughters, it was decided that we should send out the usual annual X-mas baskets, not withstanding the fact that we are facing the situation with an almost depleted treasury, as the demands have been great upon us this past year, but we have not withheld our funds after proper investigation that the applicants are worthy. We will proceed as formerly by trusting to the charity of our friends. We supply the necessities of life, such as food, clothing, shoes and stockings and wood, with a few toys and candies to be carried into the homes, as we find the really poor and worthy are unusually shy and sensitive and that they are endowed with the same attributes of pride and reticence as those that have never felt the sting and lash of bitter poverty.

Clothing and bedding will be sent out next week, as we find that the baskets are too heavy and unwieldy and we can better assort and distribute them. We need good warm clothing, shoes and stockings, preserves and groceries, which may be sent to Mrs. Dan Morgan Smith. Contributions of money should be sent to Mrs. C. Rheinauer, our treasurer; clothing to Mrs. Clyatt. We especially appeal to the public to assist us. We cannot let the poor be passed by. Will you help us.

Mrs. C. L. Bittinger, President.

Elaborate and beautiful in all of its details was the reception given Tuesday in Tallahassee by Col. and Mrs. John P. Cobb in celebration of their fiftieth wedding anniversary. Mrs. Cobb wore a beautiful gown of white crepe de chene with chiffon drapery and carried a shower bouquet of bride roses. She wore a handsome diamond ring, the gift of her husband, and also a lovely gold watch, the gift of her daughters. Receiving with Col. and Mrs. Cobb were their daughters, Miss Winifred Cobb, Miss Grace Cobb, Mrs. G. T. Marshall of Greenwood, S. C., Mrs. A. T. Nelson of Dunedin and Mrs. J. C. Burwell of Brooksville. Among the cortege of ladies assisting well known in this city were Mrs. W. A. Hocker, Mrs. T. M. Shackelford and Mrs. F. M. Hudson. Col. and Mrs. Cobb are pleasantly known here, having visited at the home of their nephew, Dr. W. K. Lane.

#### DON'T FORGET TO HELP THE KING'S DAUGHTERS

##### Several Cases of Destitution Under Their Care in the City

Ocala is moderately prosperous and comparatively immune from want, but there are a few cases of extreme need, most of which the King's Daughters are trying to alleviate.

One of these is a family on the outskirts, which has a baby six weeks old. A delegation of the Daughters visiting this family yesterday found the baby's mother trying to sustain its life on a diet of sweet potatoes and tomato catsup. The visitors gave the child the first bath it had in its life and replaced the rags in which it was wrapped with real clothes; and also gave its mother some food fit to sustain human life.

The King's Daughters deserve help in their good work, and we hope our people will join in holding up their hands.

#### A WAY OUT

A Resident of Ocala Shows the Way There's one effective way to relieve kidney backache.

Liniment and plasters may relieve it; But they seldom reach the cause.

Backache is cause to suspect the kidneys.

Ocala people back them up. Read a case of it.

L. C. Pafford, carpenter, 29 E. Monroe St., Ocala, says: "Last spring I had a bad case of backache. I couldn't straighten up after I once stooped over, unless I took hold of something for support. Often I could see dark spots floating in front of me and sometimes everything before me became black. A druggist recommended Doan's Kidney Pills to me, saying that he had nothing better in the store, so I got a box and began using them. I could see their good effects from the first few doses and one box cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pafford had. Foster-Milburn Co. Props., Buffalo, N. Y. Adv. 9.
